Dear Hal -

Thanko very much for the copy of
Post Mortem - and I do want a copy
also of White Wash IV (maybe you
could sign my copy if not too much
inconvenience?), check for both enclosed.

Happy to hear you are improving. But
for heaven's sake give yourself time to rest
and relax now and then. Does wonders for
the mind as well as body!

Big news here is that Jean and I are
going to Mexico City and Yucatan (Mayan
ruins) later this month. Something I've
wanted to do for at least 15 years!

Oh yeah. Here is recent picture... note I'm
grayer than you are. Sure.

Best,
Neil
